

CV

Prof. Dr. Heider Nima Bekheet

University of Kufa

Faculty of Administration and Economics

Department of Economics

1- Name: Prof. Heider Nima Bekheet

E-mail: heider.nima@uokufa.edu.iq

Website: <https://staff.uokufa.edu.iq/profile.html?heider.nima>

2- Schools where I studied: Al-Qadisiyah Secondary School for Boys

3- Certificates obtained:

Bachelor of Economic Sciences

Bachelor of Military Sciences

Master of Economics

PhD in economic

4- Joint courses and certificates:

1- Teaching methods course at the University of Kufa in 2002 (trainee)

2- Computer course at the University of Kufa in 2002 (trainee).

3- Computer course at the Computer Center at the University of Kufa
2008 (trainee).

- 4- A course in first aid and field behavior during crises and disasters (trainee).
- 5- Advanced computer course for members of the Hajj Authority (lecturer and course director).
- 6- Intermediate computer course for members of the Martyrs Foundation 2009 (lecturer and course director).
- 7- Participation in the program for developing and training teaching staff at the University of Erlangen-Nuremberg in Germany during the period 9-15-2013 to 10-15-2013.
- 8- Three computer courses (developing typing skills) to employees of Najaf Airport in the capacity of lecturer and course director during the year 2016.
- 9- Participation in the scientific research skills workshop at the University of Kufa in September 2019.
- 10- Participation in the workshop on writing academic research that can be published in solid scientific journals, which was held by the Ministry of Higher Education in cooperation with the German organization GIZ in Erbil for the period 1-5/12/2019.
- 11- Participation in the National Evaluator Course for Program Accreditation Programs for the year 2024
- 12- Holding a course (Utilizing scientific research skills in preparing research papers for students in colleges of administration and economics) for postgraduate students, 02-15-2024
- 13- Holding a course (the mechanism for selecting scientific journals to publish published research in accordance with ministerial instructions and

the method of sending the research and its amendments to the electronic platforms of the journal) for postgraduate students, 02-22-2024

14- Holding a course (Requirements for preparing university theses in accordance with ministerial instructions in light of scientific research methodology for colleges of administration and economics in Iraqi universities) for postgraduate students, 02-22-2024

5- Participated conferences and seminars:

- 13- A year has passed: Mr. Sudanese government in the economic balance: ambitious programs and profound challenges, Al-Bayan Center for Studies and Planning, Research Department, 11-21-2023. (36 pages).

8- Participation in dozens of examination committees and scientific committees to discuss students' research.

9 subjects I studied: ((16 scientific subjects))

10 - The number of letters of thanks and appreciation received

- By the Minister ((14))
- By the President of the University ((36))
- By the deans ((60))

Biography of Dr. Ahmed Abbas Abdal Hussein alSafi

University of Kufa

College of Administration and Economics

Department of Economics

1- Name: Ahmed Abbas Abdal Hussein alSafi

2- Birth: 1987

3- Schools in which I studied: Al-Khornaq Evening Preparatory School

4- Certificates obtained: Doctorate

5- Joint courses in which he obtained a graduation certificate:

- Developing legal skills to lead university human resources.
- Developing financial skills to lead undergraduate human resources.
- Developing electronic and information governance skills for undergraduate human resources leadership.
- Developing administrative skills to lead university human resources.
- Developing personal skills to lead university human resources.
- An advanced course on how to organize electronic tests via e-learning platforms.
- Speaking skills and preparing presentations.
- Small projects and entrepreneurship.
- Natural gas operations in Iraq.
- University business incubators.
- Using simple linear regression to analyze and predict data.
- The role of environmental generosity in reducing functional desertification.
- The role of civil society institutions in promoting Iraqi societal peace.

6- Participated conferences and seminars: _

Conferences:

- **The Second International Scientific Conference (Modern Trends in Training Curricula and Methods), which was held by the Federation of Arab Trainers Syndicates and the New World Institute for Private Training on 12/25/2021.**
- **The First Annual Conference of Local Experiences and Success Stories in Implementing Sustainable Development Goals, which was held by the Abbasid Shrine in December First 2022.**
- **Conference on Scientific Achievements and Technical Innovations, Pillars of National Development and Civilized Building of Society, which was held by the Al-Rasikh Scientific Technical Association in December 2023.**
- **Conference on Human Sciences and the Sobriety of Scientific Research: Visions and Aspirations, which was held by the University of Tikrit on 8/30/2023.**

Scientific seminars:

- **The complex crisis in Iraq: facts and repercussions.**
- **The economic dilemma in Iraq and solution strategies.**
- **Scientific research in the Arab world: reality and hopes.**
- **The New Silk Road and the post-oil economy: Iraq is a model.**
- **Internal borrowing as a means of activating frozen funds to finance government spending in general and salaries in particular.**
- **How to use the Mendeley program and the Civil program to serve the scientific researcher.**

- **Indicators for measuring the degree of institutional performance and scientific departments of public universities and private universities and colleges.**
- **Public service ethics.**
- **Holding a symposium: Artificial Intelligence: Scientific and developmental benefits in graduation projects.**
- **Holding a symposium: Electronic blackmail and social treatments.**
- **Holding a symposium: raising awareness about the dangers of drugs and ways to prevent them.**
- **Holding a symposium: universities and their role in reducing the drug phenomenon.**

7- Published research:

- **Monetary policy in a contemporary Islamic economy: mechanisms and foundations.**
- **Islamic financial markets and development financing – foundations and requirements.**

8- Participation in many examination committees and scientific committees to discuss students' research.

the biography

For the assistant teacher Ali Hamza chyad

University of Kufa

Faculty of Administration and Economics

Department of Economics

Name: ali hamzah chyad alhajame

Birth1992-11-5 **:**

Schools I studied at :

- Primary School: Al-Anwar Primary Mixed School
- Middle School: Al-Hateem Middle School
- Middle School: Al-Karrar Preparatory School (AS)

Certificates obtained:

- Bachelor's degree in Economic Sciences / University of Kufa / College of Administration and Economics / 2014-2015.
- Master's in Economic Sciences / University of Kufa / College of Administration and Economics / 2018.
- Doctorate in Economic Sciences / University of Kufa / College of Administration and Economics / 2022.

Joint courses for which a graduate certificate is obtained :

- Computer proficiency certificate.

- English language proficiency certificate.
- Arabic language proficiency certificate.
- Teaching methods course certificate.
- TOT training course certificate.
- Self-driving course certificate.
- And dozens of courses that are too numerous to mention.

Participated conferences and seminars :

- Participating in research in the Fourth International Conference on Creativity/University of Babylon 2020.
- Participating in research in the joint conference between Al-Qadisiyah University, College of Administration and Economics and Warith Al-Anbiya University 2020.
- Participation as an attendee in dozens of scientific conferences inside and outside Iraq.
- Participation as a lecturer in more than 10 scientific seminars inside and outside Iraq.
- Participate as an attendee in hundreds of seminars and workshops inside and outside Iraq

Published research :

- Evaluating the overall performance of the Iraqi economy using the evolution of Kaldor's magic square variables during the period 1990-2019

- Measuring the effects of trade policy on magic square variables such as the role in the Iraqi economy during the period 1990-2019.
- Sustainability within the framework of development - a future vision for sustainable development in Iraq.
- The rentier reality and its effects on sustainable development indicators in Iraq: an econometric study for the period 1985-2015.
- [REVIEW OF INTERNATIONAL GEOGRAPHICAL EDUCATION Trade in the Arab countries: an evaluation study, its interrelated trends, and the rules of international trade organizations.](#)

Subjects I studied :

- Principles of Economics for the first stage in the Economics Department.
- Principles of statistics for the first stage in the Department of Economics.
- Economic statistics for the second stage in the Department of Economics.
- Economic development for the third stage in the Department of Economics.
- Development policies for the third stage in the Economics Department.
- Econometrics for the fourth stage in the Department of Economics.

University of Kufa

College of Administration and Economics/Department of Economics

1-Name: Prof. Dr. Mayeh Shabeeb Al-Shammari

2-Birth: Kufa/1962

3- :Schools I studied

A- Hani Bin Urwa Sports School for Boys in Kufa 1967-1973

B- Kufa Intermediate School for Boys 1974-1977

T- Kufa Preparatory School for the years 1978-1980

:Certificates obtained-4

A- Bachelor's degree in Economics / University of Mosul 1984-1985

B- Master's in Economics/University of Mosul 1988

T- Doctorate in Economics / University of Kufa - College of
Administration and Economics 2002

5-:Joint courses for which a graduate certificate is obtained

A- - Teaching methods course

B- Computer course

T- Cash accounting cycle 2021

D- Mathematics course 2021

C- Educational competencies course 2020

H- G-Suit services skills

G - In addition to dozens of courses

6-:Participated conferences and seminars

I participated in more than 100 (documented) conferences, workshops, and scientific symposiums inside and outside the country

7-:Published research

I have more than 90 research papers published in journals inside and outside the country, including in Scopus databases

8-Participation in many examination committees and scientific .committees to discuss students' research

I participated in examination committees and scientific committees to discuss student research and graduate studies since the founding of the college in 1993 until now

9:Subjects I studied -

A- International economy

B- Evaluation of projects

T- Microeconomics

W- Statistics

C- Foreign trade

H- Financing and credit

X- Research methods

D- International financing

I- Knowledge economy

T- Population economics

10-The number of letters of thanks and appreciation received

-From the Minister: More than 10 letters thanking His Excellency the Minister

-From the President of the University: More than 20 letters of thanks from the President of the University

-From the deans: More than 50 letters of thanks and appreciation from the deans

the biography

Alaa Muhammad Reda Abdel Hassan

1- Name: asst.luc. Alaa MohammedRidha Abdulhasan

2- Birthday : 1995

3- Schools where I studied: Sheikh Al Mufid Preparatory School

4- Certificates obtained: Master's

5- Joint courses for which a graduate certificate is obtained:

- He holds a certificate in teaching methods and educational qualification from the University of Technology, with a very good grade.
- Certificate of proficiency in the Arabic language with a grade of distinction (first in the course) / Technological University
- Certificate of English language proficiency / University of Kufa
- Computer Proficiency Certificate/University of Kufa with distinction (first in the course)
- Certificate of English language proficiency / University of Baghdad with a grade of very good
- Computer Proficiency Certificate / University of Baghdad with a very good grade
- Participated conferences and seminars:

1. The 2nd Innovation & Technology Competition Exhibition. On 3/29/2021

2. The First International Conference on Advanced Computer Applications (25-26) /7/2021

(2021 International conference on Advanced Computer Application).

3. The Second International Scientific Conference/Al Ain University (15-16)/07/2020

4. The First International Practical Conference (Applied and Human Sciences, Creativity and Development) 06/17/18/2020

5. International Practical Conference (Contemporary Scientific Research and its Role in Achieving Sustainable Development Goals)/ University of Basra 5/29-30/2022

6. The First Scientific Conference of the Alamein Institute for Graduate Studies (The Crisis of Constitutional Amendments) 02-19-2022

7. The Fifth Iraqi Scientific Conference on Engineering Technology and its Applications / Islamic University (5/31)-(6/1)/2022

Scientific seminars:

1- Holding a training course ((Teaching first-year students how to take electronic exams)) / Islamic University 6-8-3/2022.

2- A workshop entitled (Successful Presentation Skills PPT) / Islamic University 4/25/2021

3- Holding a training course ((Teaching first-year students how to use the Moodle platform and use the big blue button program)) / Islamic University 1/22-24/2022.

4- Holding a training course ((Mechanism of work of examination committees)) / Islamic University 16-18/1/2022.

5- Holding a training course ((Creating electronic question templates)) / Islamic University 12/25-28/2021.

6- Managing a dialogue seminar session (Creating the position of Deputy Prime Minister between legal foundations and political arguments) 4/28/2021

7- Managing a dialogue seminar session (The role of the owners' association in managing the common parts of the ownership of floors and apartments) 5/30/2021

7- Published research:

Research completed and published outside Iraq.

1. Efficient Information-Theoretic-Statistical (ITSM) equation for face recognition technique: Comparison with statistical technique and information-theoretic technique
2. Efficient information-theoretic-statistical equation for image similarity: Comparison with Statistical Similarity and Information-Theoretic Similarity.
3. Double Modulus Function Defined χ^3 -Sequence Spaces.
4. ING-induced topology from tritopological space on a locally finite graph.
5. Algebraic properties of operations on n-ary relation soft set.
6. Further results on (total) restrained Italian domination.

8- Participation in many examination committees and scientific committees to discuss students' research.

Curriculum Vitae

1. Name: **prof. Dr. Abdulhussein Jalil Abdulhasan Alghaliby.**
2. Birth: **2\Jan\1960**
3. High School: **Al-Quds High School**
4. Academic Degrees :

Degree	Date received	University	Country
B.S	1983	Saladin	Iraq
M.S	1988	Mosul	Iraq
PhD	2002	Kufa	Iraq
B.A(English Language)	2013	Kufa	Iraq

5. Specialized: Major :**Economics; Minor: Monetary Theory – Macroeconomic.**
6. Joint courses and certificates:

- Teaching methods course, University of Kufa, 1992
 - Computer training courses 1997
 - Training course in Malaysia 2010
 - Training course in Germany 2016
 - Other courses in multiple topics
- 7. Participating in conferences and seminars:**
- Six conferences in our college from 1994 - 2022
 - Basra University Conference 2020
 - Anbar University Conference 2020
 - Three conferences at Al-Rafidain Dialogue Center 2022, 2023, 2024
 - Four conferences at Karbala University 2005 - 2022
 - Three seminars at Al-Qadisiyah University 2020-2024
 - Four seminars at our college
 - Five seminars at Al-Rafidain Dialogue Center 2022, 2023, 2024
 - Central Bank conferences
 - Ministry of Finance conferences
- 8. Published Books in the last five years:**
- 1- Iraq 2021 (strategic report, group of authors)- 2022
 - 2- Monetary theory and policies - 2022
 - 3- Central Bank of Iraq (group of authors) - 2022

10. Participation in many examination committees and scientific committees to discuss student researches and various scientific activities.

- Ministerial Committee for Scientific Curricula for Faculties of Administration and Economics

- The Ministerial Committee for granting academic titles to holders of higher degrees.
- The joint scientific committee between the Ministry of Higher Education and the Ministry of Interior
- Central Promotions Committee at the University of Kufa
- Subcommittee on Promotions for the Faculties of Administration and Economics and the Faculty of Law
- Promotions Sub-Committee of the College of Administration and Economics
- Examination committees for Undergraduate study for multiple years
- Examination committees for postgraduate studies for multiple years
- Scientific committees to discuss student researches
- Scientific committees in the Department of Economics
- Chairmanship and membership of several discussion committees for postgraduate students (diploma, master's, and doctorate).
- Supervising many postgraduate students (diploma, master's, and doctorate)
- Participation in the editorial staff of many scientific journals inside and outside Iraq
- contributed to the establishment of many colleges and scientific departments
- Chairmanship and membership of several committees for opening graduate studies in Iraqi universities.
- Many scientific and administrative positions

11. Teaching experience: (A)For B.S.:

- A. Principle of Economics.
- B. Monetary Theory.
- C. Public Finance .
- D. Macroeconomics.
- E. Education Economics.

- F. International Economics.
- G. Microeconomics.
- H. Money and Banking.
- I. Financial Economics.

(B) For Msc . & PhD:

- A. Monetary Theory.
- B. Macroeconomics.
- C. International Economics.
- D. Economic Development.
- E. Financial Economics.

12. The number of letters of thanks and appreciation obtained

- By the Minister (11)
- By the President of the University (25)
- By the deans (30)
